Hi,

I'm Prateek Gupta, a software developer. I have worked in this field for around 2 years, and my experience includes Java, Python, Android, Django, Spring Boot, SQL, MYSQL and C++/C.

I'm an innovative problem solver, quick learner, team player with strong communication skills, hard-working and take accountability for my work.

I believe that this organization is an impressive company whose values I share. I thrive in a fast-paced, collaborative, innovative environment and I know that I have the skills, experience and attitude to excel in this position.

Please check my portfolio website and Android application which I have built from scratch.

Website ([View](#))

Tech Stack: *Django, SQLite, AngularJS, HTML, CSS, JS, Python*

Android Application ([View](#))

Tech Stack: *Android, Java, Kotlin*

I would love to meet and discuss what I can bring to this role. I can be reached at prateek.gupta25apr@gmail.com.

Thanks,
